NZ Nationals 2015 Tent Site Booking Form

The Canterbury Jet Sports Club welcomes you to Lake Roto Kohatu, Sawyers Arms Rd, Christchurch. The surrounding lake area that will encompass the pit area is unsuitable for you to erect your own tents. The ground is extremely stony and hard. We recommend you hire a pit tent from the CJSC. These have been sourced at the most cost effective price as possible.

If you plan to bring your own tent we highly recommend an easy up style tent secured by suitable weights (not pegs). Sudden strong gusts of wind are common at the lake area and flying Ezi ups have caused a lot of damage to cars, hired marquees and trade displays. If your tent is not sufficiently weighted it will be removed. All personal tents will need the fabric roof removed each night in case of wind gusts.

Please note hired tent sites will be given preference to a view of the track.

Tents sites are available to hire from the CJSC for the event. Each tent is approx 5 X 5 meters in size. If you require a tent or a tent site please return this form and payment with your entry form no later than **13th March 2015**.
